Come on come on,
Why can't you tell me now
Tell me why it's
Been so hard to find you
You know I know,
It's hard to tell
So come on and let it out
What's going on inside of you
I didn't mean to let you down
But sometimes even angels

I'm yours either way it goes
Hit the ground
I just wanted you to know
Afraid of what might happen

I'm breathing in but I'm screaming out
Here without you
I'm seeing clear and I'm seeing red,
I'm hiding from the world
I'm just going through the motions here
Without you
In an empty bed

I didn't mean to let you down

But sometimes even angels
Hit the ground
I just wanted you to know
I'm yours either way it goes

Solo
Come on come,
Why can't you tell me know
Tell me why it's been
You know that I know,
So hard to find you
It's hard to tell
What's going on inside of you,
So come on and let it out
Inside of you

I didn't mean to let you down
But sometimes even angels
I just wanted you to know
Hit the ground
I'm your either way it goes

It goes...
It goes...
