Today I walked across the great divide  
And left you standing  
On the other side  
I'm seeing through you  
The things I loved in you were gone

Nothing you could say to me would  
Monday night and here I am all alone  
Your time has come and gone  
I'm seeing through you  
Break my bones

And vanished in the air  
I'm seeing through you  
I'm seeing through you  
I'm seeing through you  
And you are not the same  
It hurts my eyes to see the change

I'm seeing through you  
I'm seeing through you

Solo  
Today I walked across the great divide  
On the other side  
And left you standing  
Your time has come and gone  
And vanished in the air

I'm seeing through you  
I'm seeing through you  
And I'm seeing through you  
I'm seeing through you  
And you are not the same  
It hurts my eyes to see the change  
I'm seeing through you I'm seeing through you
