

Blue Merle "Stay"

Visit "[Stay](#)" on MotoLyrics.com

I got a picture of you
It's the way that I get you
And some letters I carry 'round
To stay with me
Nothing's forever
Nothing is ever gone
And we ain't together
But you stay with me
Stay with me

Stay with me
On a wide and a crooked road
To stay with me
I'm a wandering fool

But you found a way

My love won't you stay with me
'Cause my heart how it breaks when you
Leave

I got a picture

Solo
And some letters I carry 'round
To stay with me
It's the way that I get you

Stay with me
Stay with me
Stay with me
Stay with me
