"A Cruel Misfortune"

Visit "[A Cruel Misfortune](#)" on MotoLyrics.com

I cannot take all the broken promises you've made
But now I'll never hear your lies
For the last time a dream you've taken cannot be
denied
The pain I felt was just a moment in time
... and I know all these things will never change
Serenity's mine
The darkness gone, before my eyes I see the burning
light
The fire burns inside
I will not fall, to all the words you've spoken I defy
Don't have to see the greed in your eyes
... and I know all these things will never change
And you don't feel bad
'For all these things I've kept inside
For all these things that I've denied
You'll never get my soul
For all the times you told a lie
To get your way just like a child
You will not be my demise...'
A cruel misfortune...
A cruel misfortune...
A cruel misfortune...
A cruel misfortune...
