Ooh, hmm  
Here in the silence I say a prayer  
Though I've never seen you somehow I know you're  
there  
You're in the faces of the people that I meet  
You're as silent as the Earth beneath my feet  
So if I should complain that all I have is not enough  
Forgive me, I've been given so much

And I am blessed, every time I look into my baby's eyes  
I think of all the friends who've touched my life  
I realise in a world where some have more and some  
have less  
I have love and I am blessed

So many changes this world can put you through  
Sometimes it's hard to find a way if a heart can get  
confused  
But then I hold you and it all falls into place  
You've given me what time cannot erase  
So when I'm feeling down or feel sorry for myself

I look around and it's easy to tell

That I am blessed, every time I look into my baby's  
eyes  
I think of all the friends who touched my life  
I realise in a world where some have more and some  
have less  
I have love and I am blessed

Every time I look into my baby's eyes

I realise I think of all the friends who touched my life

And I am blessed (I am blessed)  
Every time I look into my baby's eyes (I look into your  
eyes)  
I think of all the friends who have touched my life  
I realise (I realise) you've given me such peace and  
happiness  
In this world where some have more and some have

less  
I am loved  
And I am blessed
