I'll be there for you baby  
I'll be there  
I'll be there for you baby  
I'll be there

I'll be there when things are blue  
I'll be there to comfort you  
I'll be there to hold on to  
I'll be there when things are blue  
I'll be there to comfort you  
I'll be there to hold on to

I'll be there  
I've waited for you such a long time, yeah  
Oh, can't you see  
I wanna put my love on the line  
(I'll be there)  
Knowing you'll feel lonely baby  
And you need some company  
Shine a light  
(Shine a light) for me  
I'll be there, yeah

(I'll be there when things are blue)  
Oh baby  
(I'll be there to comfort you)  
Comfort you  
(I'll be there to hold on to)  
Baby I'll be waiting for you  
(I'll be there when things are blue)  
And I'll be waiting  
(I'll be there to comfort you)  
Oh yeah  
(I'll be there to hold on to)  
Baby I'll be waiting for you, hey

Here I am  
Whenever you got love on your mind  
Ooh, well you know  
(Well you know)  
You know that I am easy to find  
(I'll be there)

Knowing you'll feel lonely baby  
And you need some company  
Shine a light  
(Shine a light) for me  
And I'll be there

(I'll be there when things are blue)  
Yeah baby  
(I'll be there to comfort you)  
Comfort you  
(I'll be there to hold on to)  
Baby I'll be waiting for you  
(I'll be there when things are blue)  
Ooh  
(I'll be there to comfort you)  
I'll be waiting  
(I'll be there to hold on to)  
Baby I'll be waiting for you

(I'll be there when things are blue)  
(I'll be there to comfort you)  
And I'll be waiting  
(I'll be there to hold on to)

And I'll be waiting, waiting  
Waiting  
(I'll be there when things are blue)  
Waiting  
(I'll be there to comfort you)  
Waiting  
(I'll be there to hold on to)

I'll be there  
(I will be there just for you)  
(I'll be there for you baby, I'll be there)  
(I will be there just for you)  
(I'll be there for you baby, I'll be there)

(I'll be there)  
Knowing you'll feel lonely  
And you need some company, yeah  
(Shine a light)  
Shine a light, I'll be there, yeah

(I'll be there when things are blue)  
Yeah baby  
(I'll be there to comfort you)  
Comfort you  
(I'll be there to hold on to)  
Baby I'll be waiting for you  
(I'll be there when things are blue)

Ooh  
(I'll be there to comfort you)  
Aah  
(I'll be there to hold on to)  
Baby I'll be waiting for you

(I'll be there when things are blue)  
(I'll be there to comfort you)  
And I'll be waiting  
(I'll be there to hold on to)  
And I'll be waiting, waiting  
Waiting  
(I'll be there when things are blue)  
Waiting  
(I'll be there to comfort you)  
Waiting  
(I'll be there to hold on to)

(I'll be there, there for you, I'll be there) [x4]

(I'll be there when things are blue)  
(I'll be there to comfort you)  
(I'll be there to hold on to)  
(I'll be there when things are blue)  
(I'll be there to comfort you)  
(I'll be there to hold on to)  
(I'll be there when things are blue)  
(I'll be there to comfort you)  
(I'll be there to hold on to)

I think they're just waiting to set something up  
Ok  
Shall we rehearse?  
Oh  
Shall we rehearse?
