I wanna know
Why can't we stay together

Let's stay together [x3]

(Good, bad, happy or sad)

I'm so in love with you
Whatever you wanna do
Is alright with me
You make me feel so brand new
(It's you that always makes me feel brand new)
I want to spend my whole life with you
(I just wanna spend my life with you)

Let me say that since, since we've been together
Loving you forever is what I need
Let me be the one you come running to
(Let me be the one that you run to)
I'll never be untrue
(I will never be untrue to you)

Oh baby let's stay together
(Let's stay together)
Let's stay together
(Let's stay together)
Loving you forever
(Let's stay together)
Times are good or bad, happy or sad
(Good, bad, happy or sad)

Ooh, tell me why can't we stay together

(Good, bad, happy or sad)

Why, why do people break up
Turn around and make up
And I just can't see
You'd never do that to me
(you would never do that to me)
Being around you is what I see
(Being around you that is what I see)

Baby baby let's, let's stay together
(Let's stay together)
Loving you whether
(Let's stay together)
Times are good or bad, happy or sad
(Good, bad, happy or sad)

Let's stay together
Let's stay together
(Loving your forever)
Let's stay together
Together
(Good, bad, happy or sad)

Yeah, why can't we stay together
(Let's stay together)
Loving you baby
(Let's stay together)
Good, bad, happy or sad

I want you
(Let's stay together)
Forever and ever
(Let's stay together)
Let's stay together
(Let's stay together)
