I feel the touch of your hand  
And I understand how much I need your love  
You have given me wings  
And I can do things I've never dreamed of  
And I promise for as long as we're together  
I will cherish this everlasting love

Oh baby I need you so  
You know that I can't let go  
Always and forever I just want you to know  
I wanna be where you are  
No matter how near or far  
And I wanna be the only one  
Who can open the door to your heart  
Oh baby I, oh baby I, oh baby I [x2]

All your secrets I'll keep  
They're safe here with me  
My arms will comfort you  
There'll be no river too wide  
No mountain too high  
My heart will follow you  
I'll go anywhere for as long as we're together  
I will cherish this everlasting love

Oh baby I need you so  
You know that I can't let go  
Always and forever I just want you to know  
I wanna be where you are  
No matter how near or far

And I wanna be the only one  
Who can open the door to your heart  
Oh baby I, oh baby I, oh baby I [x2]

There may be times some rain will fall  
But I won't mind it if you're here with me  
Oh, we'll get by and through it all  
We'll have all of the love that we need, oh baby  
Oh, oh baby  
Oh, my darling  
I'll go anywhere for as long as we're together

I will cherish this everlasting love

Oh baby I need you so  
You know that I can't let go  
Always and forever I just want you to know  
I wanna be where you are  
No matter how near or far  
And I wanna be the only one  
Who can open the door

Oh baby I need you so  
Together our love will grow  
Always and forever I just want you to know  
I want to be where you are  
No matter how near or far  
And I want to be the only one  
Who can open the door to your heart
