## "Sunday Morning"

I recall that Sunday  
The day that we were one  
You shattered all my disbelief  
When loving had begun  
Being intimate with someone  
Was something I never knew  
Then I found myself in love  
So deep in love with you  
The stars collapsed  
The moon began to fall  
I was just in awe from the power of it all  
When I saw a tear falling from your eye  
I knew it was a special day  
And now I realise

*[Chorus:]*

Sittin here remembering  
That Sunday morning  
When you first made love to me  
It was so heavenly  
Prayed that you would never leave  
This Sunday morning  
Now would you make love to me  
Like that Sunday

*[x2]*

Heaven must have sent you  
You came and rescued me  
Showed me that true love could last  
Beyond eternity  
Was it just the feel of being close  
That made me fall in love  
Or the magic of last Sunday  
When the skies opened above  
The stars collapsed  
The moon began to fall  
What I was searching for  
Was someone I could adore  
Now the joy we shared  
Lingers in my mind

I knew that it was special  
And now I realise

*[Chorus]*

Ooh how you make me feel  
You blow my mind  
Each and everytime  
Ooh the things that you do to me so good  
I just can't believe  
I can't believe  
Sometimes it just don't seem real  
You're just what I thought I'd never find  
Will you make love to me (love me baby)  
Like that Sunday morning

*[Chorus to fade]*
