It's alright

(Let's go, oh baby, let's go)

Hold tight

(Let's go, oh baby, let's go)

Tonight

(Let's go, oh baby, let's go)

You're gonna love what you feel

Baby you're the one I need tonight

And I wish upon a star

(Don't you know that)

All the time I dreamed about you

Baby I can give you what you want now boy tonight

Oh baby

I'm not like all the rest

I really care for you baby

And a boy like you

Deserves only the best

It's alright, alright

We don't have to worry

Hold tight (hold tight)

This love is for real

Tonight (tonight)

Baby there's no worry

You're gonna love what you feel, yeah

I know you suffered way too long boy

Don't you see I have the cure

I could help you and recover

Listen baby 'coz you know that I can give you

What you never had before

Oh baby

I dedicate my love to you

I will be there for you baby

You know that I've bene waiting

For a boy like this

It's alright (alright)

We don't have to worry

Hold tight (hold tight)

This love is for real

Tonight (tonight)

Baby there's no worry

You're gonna love what you feel

It's alright (alright)

We don't have to worry

Hold tight (hold tight)

This love is for real

Tonight (tonight)

Baby there's no worry

You're gonna love what you feel

(Oh baby, let's go) (x8)

Tonight, oh baby

I'm not like all the rest

'Coz I really care for you baby

And a boy like you deserves only the best

It's alright (alright)

We don't have to worry

Hold tight (hold tight)

You're gonna love what you feel

It's alright (alright)

We don't have to worry

Hold tight (hold tight)

This love is for real

Tonight (tonight)

Baby there's no worry

You're gonna love what you feel
