

Eternal Gray "War Of Chaos"

Visit "[War Of Chaos](#)" on MotoLyrics.com

Disaster plagued upon the earth
Denying all you were-your life, the past
Condemned your brothers to die
War of chaos-point of no return

Disaster plagued, destroyed the earth
War of chaos- war of fate
Into thin air the souls were crushed
Poisoned harvest of the lives-no trust...

Only at the end
When death will triumph

The last souls will be free
When humanity extinct

Disaster plagued upon the earth
Denying all you were-your life, the past
Condemned your brothers to die
War of chaos-point of no return

[Solo: Dory]

Only at the end
When death will triumph
The last souls will be free
When humanity extinct
