Good morning world it's a brand new day
I'm packin' my bags and I'm getting away
I'm movin' my legs and my city type bones
I gotta get away from the busy man's 'phones.

Down in Malabu where the livin' is so wild and free
If you wanna get happy then people come along with
me
A bee bow bow buppa bow bow bow.

A move over boys save a place for me
I'm gettin' so tired of the company
I'm gettin' black looks from the big white man
Gotta get away just as fast as I can.

Down in Malabu...

Good morning freedom
I gotta break away
Gotta break away
Gotta break away

Yeah
Yeah.
Good morning freedom
It's another day
It's another day
It's another day
Yeah
Yeah.
Good morning freedom

Yeah

A bee bow bow b'b'buppa bow.

All over the world it's the same old game
Official type livin' is the thing to blame
Alovin' thy neighbour is a real live thing
There's only one way to get the people to sing.

Down in Malabu...

A bee bow bow bow b'b' buppa bow
A bee bow bow bow buppa b'bow bow
Buppa b'bow bow
Buppa b'bow bow a bee bow
Bow buppa bow bow bow.

A bee bow...
