[Music: Nagy/Tarvainen Lyrics: Maensivu]

My decisions are my law, matter to me  
Concern of no-one else, living on my own  
Growing free, guided by none  
A savior of my own  
Like trees decides within to grow  
You'll have no rights to criticise me

Who the hell made you god?  
You don't have a mind of your own  
You're living by rules  
Rules made by others like you

Through this silent world I crawled  
Alone in the shivering darkness  
I stand on my own in this world so gone  
I don't need no helping hand from anyone

See it as gods gift, if it's what pleases you  
But it is cause of my roots, annealed by  
My growing

For the sake of mine, I'm pleasing thy god  
Into a lie, in for your lie

Lost from the path of harmony  
Tortuous shore shatters last dreams  
Dreams of hope to make it through the day  
Broken man lies confused  
Crying him back to sleep
