[music & lyrics: Dan Swanö]

When I'm in this state of mind I'm wishing I am blind
Sometimes life is more than pain to me
I feel the power of my grief, Death would be such a
relief
All the secrets that I hide would die with me

Depression is my only friend. Will this torture never
end?
Let me carry on to the dreamers' sky
I keep crying in my dreams. Can you hear my endless
screams?
When I fade away I fade, away.

Life is just a masquerade. In dept to myself but I can't
pay

Soon I'll call it all a day, away.
I've never felt what you call guilt
I still believe "do what thou wilt"
My sorrow will destroy the world I've built

This fluid on my cheek, it drains me, I get weak
My heart is cold and bleak.. Black blood, black tears
