You can't get always what you want
Like it or not
You can't get always what you want
Like it or not

Hello are you out there
Can you hear me are you ready for this?
Hello are you out there?
Are you ready and steady and ready for this?
Meet you, wanna meet you
Come over here my message is clear
Meet you, wanna meet you
Come over here
The rhythm is bumping, dumping my style
I've put on my boots gonna be here a while
The circus is hopping, all the freaks on display
I keep walking by but don't know what to say
Meet you, wanna meet you
Tell me your number tell me your name
Meet you, wanna meet you
Tell me your name

You can't get always what you want
Like it or not
You can't get always what you want
But maybe that's good

Oh yeah yeah yeah yeah yeah yeah
And they tell us
You can't get always what you want
Oh no no no no no

Hello, will you follow
Will you listen
Will you swallow it down
Hello will you follow
Take over, run over, take over this town
Red light at the red light
Shake it don't fake it, just shake it all out
Red light at the red light
Fame 'em all out

The rhythm is hyper give me a hit
I'm gonna school ya, show you the sh...
This music is hyper, ripin up quick
Put on your seatbelt, who are you with?
Red light, at the red light
Don't slow down

You can't get always what you want
Like it or not
You can't get always what you want
But maybe that's good

Oh yeah yeah yeah yeah yeah yeah
And they tell us
You can't get always what you want
Oh no no no no no

I said hello
Are you ready for this
Are you following me
Are you ready for me
I said hey, hey, hey hello

Na na na na na na yeah uh huh
Na na na na na na yeah

You can't get always what you want
Like it or not
You can't get always what you want
But maybe that's good

Oh yeah yeah yeah yeah yeah yeah
And they tell us
You can't get always what you want
Oh no no no no no NO
