[Chorus]

It's a wonderful world  
A wonderful day  
Live your life take a chance  
And friends will be friends  
It's a wonderful world  
A wonderful day  
Live your life take a chance  
And friends will be friends

[Verse 1]

Oh Life isn't always fair  
But that doesn't make it easier  
When you haven't won  
And I know life has a brighter side  
But darkness makes me feel better  
Than staring at the sun

Breath in  
Gonna find your flow  
Gonna take it slow  
No matter what it takes

[Chorus]

It's a wonderful world  
A wonderful day  
Live your life take a chance  
And friends will be friends  
It's a wonderful world

A wonderful day  
Live your life take a chance  
And friends will be friends

[Verse 2]

Lost love, lost ones  
Don't what your going thru  
Bad days, bad words  
Don't like what they're telling you  
Wrong and right don't always she'd some light  
To help you see what's good

[Bridge]  
A wonderful day  
Take it slow  
Don't you know  
No matter what it takes

[Chorus]  
It's a wonderful world  
A wonderful day  
Live your life take a chance  
And friends will be friends  
It's a wonderful world  
A wonderful day  
Live your life take a chance  
And friends will be friends
