[C-Murder]

Say Mystikal(say Mystikal nigga)& MAC brah(Macadon)  
Niggas on tha streets can't do but love niggas like us  
Spittin' all that muthafuckin' real gangsta ass shit  
We ain't playin' we mean what we say & say what we  
mean  
I thought you know(I'm just another thug nigga) you  
know what I'm sayin'  
That's all I'm makin' forever boy

[C-Murder]

I'm known for runnin' tha streets & makin' moneys in  
bundles  
An niggas love me for that gangsta ass shit I be comin'  
Because I'm TRU 2 Da Game  
You niggas feelin' my name  
An if you FUCK UP I'ma have them bullets pourin' like  
rain  
You can't hide, I'm suicidal, it's very vital to yo health  
That my muthafuckin' message is felt  
Because I mean what I say & I say what I'm mean  
An my dream is to seem like I'm swimmin' in green  
forever  
An never fall or put my Tank on tha wall  
An spit real shit & watch them niggas label 'em hits  
Cause only TRU niggas last in tha game & get bigga  
So what do you call yourself, I'm just another thug  
nigga  
(I'm just another thug nigga)

[Chorus: Jamo & C-Murder]

You don't wanna fuck with me(I'm justa another thug  
nigga)  
I'm just(I'm just another thug nigga) another thug  
nigga  
Oh you don't wanna fuck with me  
I'm just another thug nigga(just another thug yea yea)  
[Repeat]

[MAC]

(So who we do this for C)

I send this out thug niggas holdin' nikel bags on tha  
come up  
Swollow 'em when them folks run up  
We speakin' in tongues  
To yall deep in tha slums  
We strive for that 18-5  
Fuckin' your dealers wives & shit  
You livin' in yo project, pushin' yo Benzo on lorenzo's  
Tossin' weed out tha tinted window  
When you see po po  
I'm loco like short bus riders  
my mission was to chief that  
An that's tha shit these niggas gotta respect  
So respect that & pass tha weed away from cause I  
don't fuck around  
You don't wanna me high, ya see me buckin' niggas  
down  
I hate niggas who hate me  
So I'm a hater to a certain degree  
But who wouldn't be, I'ma thug nigga

[Chorus] - 4X
