The Time Has Finished To Look For The Pleasure...

I Will Come All Nights To All Those Deers  
To Seduce Them By Their Most Sick Sexual Desires  
I Will Deceive Their Fantasies And Make Them Live  
The Pleasure And The Pain... ?

The Time Has Finished To Look For The Pleasure  
The Wind Blows Strong And Carries A Fragrance  
Of Solitude And Sadness  
It Becomes In The Woman That I Waited For  
Her Body Is Eroticism And Her Gaze, Perversion.

She Involutes Me In Her Arms  
And The Seduction From Her Kisses  
Drive Me To Love Her Intensely,  
To Fulfill All My Wild Desires.  
The Unbridles Sex Interns Me Into A Dark Orgasm.

Your Sensation Every Down  
Will Be Wrathfully Deep,  
I'd Left You To The Goodwill  
Of Solitude's Embrace,  
And This Intense Weeping  
That No one Could Ever Calm Down,

Now You're In The Oblivion  
Your Stolen Heart I Will Enslave.?

The Devil Is In  
The Love And In The Passion As Well  
Because I Felt Rage When I Saw Myself Alone,  
See My Feelings Become In Badness  
By That Devil With Woman's Body.

Always Wanting To Remember The Loveliness  
That Was Suffered In Dreams,  
Now You Are In Dreams Of Magical Communion  
Tied To A Mental Satisfaction.?

Take Me Away From This Sweet Pain

Dreamed Pain That Become Real... ?  
Now Understand  
Those Eyes That Expressed Passion  
Are The Reflection Of Her Perversion  
And Satisfaction  
That She Looks For Into My Body,  
I am In A Fire Of Pain And Hate  
This Woman Took Possession Of Me  
Took Away My Force,  
She Drags Me To The Deceit  
And To The Mundane World.
