I'm still waiting...for a moment, alone with you  
Hopeless grows behind heaven's door  
Where I belong now...  
Eyes full of oceans are waiting...  
Are you crying?  
Lord, blind my eyes to these visions  
The distance is not so far anyway  
And I can touch your tears from here...  
Eyes full of oceans still waiting ...  
Oh...It's hurting me so  
...And the darkness - Embraces my pain  
Oh...it's hurting you too  
And that mistake...  
Frustration...it's growing between two worlds divided  
The same old revelation's chapter  
Eyes of oceans must wait, save my soul from this  
passion...  
Oh...It's hurting me so  
...And the darkness - Embraces my pain  
Oh...it's hurting you too  
And that mistake...I can't take it with me  
"LORD, ALLOW THESE WORDS OF REDEMPTION  
AND TASTE THE PAIN'S WINE WITH YOUR OWN SONS  
BECAUSE THEY BELIEVE IN NOTHING AND YOU INSIST  
ON CALLING THIS LIFE..."  
Between...heaven and earth  
This cold fever...I've lost tranquillity  
Between heavens...he became...  
An unbeliever man...still searching for his peaceful  
path  
This equilibrium...eternal afterlife.....  
Between...heaven and earth  
This cold fever...I've lost tranquillity  
Between heavens...between...  
An edge of promises...inside the garden of all lies  
Why you stole my wings?-Why you stole my life...  
OH... THE TRUTH, HURTS MORE THAN THE SCORN  
DIVINE  
A CARVED THORN IN MY HEART SMOULDERING FROM  
INSIDE  
FOR WHOM THE ANGELS DIED

SO ENLIGHTEN MY DIMNESS LIFE  
UNPLEASANT REALM OF WHIMS  
I BECAME A PRISONER OF TIME...  
In heaven's darkest hour...ten thousand angels fall  
For all eternity I'm condemned inside these walls of  
agony...  
Between...heaven and earth  
This cold fever...no tranquillity  
Between heavens...between...Love ...  
Between heaven and earth-Between heaven and love  
Between heaven and earth-I can hear your whispers...  
...  
I'm still waiting...for a moment alone with you  
Hopeless grows behind heaven's door  
Where I belong now...eyes full of oceans must wait.....
