Ooooooh! Ooh I want to find a better place
Ooooooh! Ooh I'm searching for a better place

Ooooooh! Ooh I'm tired of living in the sand
Ooooooh! Ooh I'm searching for a better land

Heaven, must be there-ere
Well, it's just got to be there-ere
I've never - never seen Eden
I don't wanna live in this place

Ooooooh! Ooh I'm always trying to escape
Ooooooh! Ooh I never know which road to take

Heaven, must be there-ere
Well, it's just got to be there-ere
I've never, never seen Eden
I don't wanna live in this place

Heaven, must be there-ere
Well, it's just got to be there-ere
I've never, never seen Eden
I don't wanna live in this place

Live in this place

Live in this place, this place

Ooooooh! Ooh I want to find a better place
Ooooooh! Ooh I'm searching for a better place

Heaven, must be there-ere
Well, it's just got to be there-ere
I've never, never seen Eden
I don't wanna live in this place (don't wanna live)

Heaven, must be there-ere
Well, it's just got to be there-ere (must be there-ere)
I've never, never seen Eden
I don't wanna live in this place

Heaven, must be there-ere
Well, it's just got to be there-ere (must be there-ere)
I've never, never seen Eden
I don't wanna live in this place (fade)
