I'm flowing unconscious...I'm hoping for a sign...
I think-"am I secure in this filthy sheets? (Formerly they
were wanted)
Here am I yours?"-Only and always in a dream of
eternal yearning...
Frustration it's growing...her black dress it's hidden
upon shades (of
Death's eyes)
Then lights turn to darkness and from the dusk finally,
you appeared...
Shall I awake for life?-it's forbidden...
lim drowning in infinity-shared oblivion...
Touch me...hold me...one more time...
Will...I ever awake for life...(I fear)...but after all...
A world of silence became in a filthy sin (the dreams of
yearning)
A land of pleasures fading and the mirror of reality
with it
Will I see you again...
Shall I awake for life?-it's forbidden...
lim drowning in infinity-shared oblivion...
Touch me...hold me...one more time...
