Sheepdog  
standing in the rain,  
Bullfrog  
doing it again  
Some think that happiness is measured out in years  
You don't know what it's like to listen to your fears

Child-like  
No one understands,  
Jack knife  
In your sweaty hands,  
Some think that happiness is measured out in miles  
What makes you think you're something special when  
you smile

You can talk to me, if you're lonely you can talk to me

Big man  
Walking in the park  
Whigwam  
Frightened of the dark  
Some think that happiness is measured out in you  
You think you know me but you haven't got a clue

You can talk to me, if you're lonely you can talk to me
