[Music by Nathuruss, Vidar, lyrics by Vidar]

Raised by the knowledge breaking the walls,  
In spirit of darkness, falling asleep,  
As prophets of coincidence, process of birth,  
Falling too high, yet rising too deep.  
The raging wolves with the jaws of glass  
When questioning the wiser to step back,  
By thoughts driven fear we shall rule,  
Ours defend, foreign attack!  
Samo reborn, the legions let march!  
Wogastisburg of our hearts.  
... Wogastisburg of our hearts...

Homewards, Vesna lead my steps  
My lungs to fill with your breath,  
On the wings of Phoenix, take me there,  
Where solstices and thunder flare  
All men as one, together hail...

Rhyme for the verse, the one eyed old man's curse,  
Bleeding promises that failed...  
Rebellion of no clues, the give and the loose,  
Last requiem that failed...

We walked the same common path  
Where am I supposed to find you now?  
A poem for my lonesome wrath  
How am I supposed to fight it now?

Combien faut-il de fois secouer mes grelots  
Et baiser ton front bas, morne caricature?  
Pour piquer dans le but, de mystique nature,  
Combien, Å´ mon carquois, perdre de javelots?

Nous userons notre Å¸me en de subtils complots,  
Et nous dÃ©molirons mainte lourde armature,  
Avant de contempler la grande CrÃ©ature  
Don't l'infernal dÃ©sir nous remplit de sanglots!

Il en est qui jamais n'ont connu leur Idole,  
Et ces sculpteurs damnÃ©s et marquÃ©s d'un affront,

Qui vont se martelant la poitrine et le front,

N'ont qu'un espoir, Ã©trange et sombre Capitole!  
C'est que la Mort, planant comme un soleil nouveau,  
Fera s'Ã©panouir les fleurs de leur cerveau!
