I woke up good this morning
And nothing in my way
I woke up good this morning
Darlin' let's say yeah

I woke up good this morning
The world is right outside
Yes, start out feelin' lucky
And gonna catch a ride

I don't wanna be
Everybody else
When are we gonna be ourselves?

You know the flags are [Incomprehensible]
Sleepin' in the rain
You wanna try and see in this time
Maybe we could start again

I don't wanna be
With everybody else
So when we gonna be ourselves?

I know you're in love with me now
Sometimes the goodness don't last
Yeah yeah

You know, I woke up good this morning
And gonna change this time
The sergeants in their marching bands
Walkin' out in the broken lines

I don't wanna be
With everybody else
When are we gonna be ourselves?

I don't wanna be
With everybody else
When are we gonna be ourselves?

I woke up good this morning
I woke up good this morning
