I have walked  
A thousand miles  
I have worked  
As fast as I can  
And I have raised  
A precious child  
To be a man

But I would never  
Turn my back  
On your love

And I have gone  
Up and down  
Yeah I have wandered  
From place to place  
And I have raised my weary hand  
To my face

But I would never  
Turn my back  
On your love

Is there anybody there who knows me?  
Is there any body there who knows now?  
That I will be home soon

And I would never  
Turn my back  
On your love

When the sun is going down  
And there are colours  
Against the sky  
I have seen my home town  
In your eyes

But I would never  
Turn my back  
Yeah I have learned  
To face the fact  
No I would never

Turn my back  
On your love

Hey yeah yeah  
Hey yeah yeah

I would never  
Turn my back  
On your love
