"Steal Away"

Ooh, I gotta see you somehow
Not tomorrow, but right now
I know its late, but honey dont make me wait
So come on, baby, steal away
Oh lets steal away
Don't make me start thinking
cause I might change my mind
My folks are sleeping
so please dont waste no time
I know it's late but please dont make me wait
So come on steal away
Please lets steal away
I know its wrong, its wrong needing you this way
But there's no other way I can be with you
If only my folks, if only my folks they would approve
Things like this we wouldn't have to do
Ooh I won't tell, I wont tell anybody else
Im gonna keep it, I'll keep it to myself
I know its late, but oh dont make me wait
So come on and steal away
Oh Im asking you to steal away
Because I need you, I need you by my side
Oh I need you baby, I need you to be my guy
Lets steal away right now
Ooh
