Ohhh, now it could be a spoonful of diamonds
It could be a spoonful of gold
But just a little spoon of your precious love
Will satisfy my soul

Women die for that spoonful
Yeah, and men cry for that spoonful
Yeah, women lie for that spoonful
Yeah, and men fight for that spoonful
Yeah-yeah, well, yeah-yeah
That spoon, spoon, spoonful

Yeah

It could be a spoonful of coffe
It could be a spoonful of tea
Not a knife, not a fork, but a spoon, baby
Is good enough for me

Men lie for that spoonful
Yeah, women die for that spoonful
You know they sigh for that spoonful
Yeah, now they cry for that spoonful
Yeah-yeah, yeah, yeah-yeah
That spoon, spoon, spoonful

Yeah

Ohhh, now it could be a spoonful of diamonds
It could be a spoonful of gold
But just a little spoon of your precious love
Will satisfy my soul

Yeah, now it could be a spoonful of coffe, coffee,
coffee
It could be a spoonful of tea
And just a little spoon of your precious love
Is good enough for me

Now, men will fight for that spoonful
Yeah, yeah, yeah, they die for that spoonful
Yeah, yeah, they sigh for that spoonful

Yeah, now they fight for that spoonful
Yeah-yeah, yeah, yeah
That spoon, spoon, spoonful
