I heard church bells ring
I heard a choir singing
I saw my love walk down the aisle
on her finger he placed a ring

Ooh oh

I saw them holding hands
She was standing there with my man
I heard them promise
Til death do us part
These words
Was a pain
In my heart

All i could do was cry
All i could do was cry
I was losing the man that i love
and all i could do was cry

And now the wedding is over
The rice, rice has been thrown over their heads
For them life has just begun
but mine is ending

Ooh

All i could do was cry
All i could do was cry
I was losing the man that i love
and all i could do was cry
