Take me to heart, I'll always love you
An nobody can make me do wrong
Won't take me for granted leaving love unshown
Makes will power weak now and temptation strong

A woman's only human
You should understand
She's not just a play thing
She's flesh and blood just like her man

If ya wanna do right
Holding this woman, yeah
You've gotta be a, a do right
All night man

If you wanna do right
Hold this woman
You gotta be a do right, do right, do right
All night man, yeah, yeah

They say that it's a man's world
But you can't prove that by me
And as long as long as we're together, baby
Show some respect for me

If you wanna do right, do right, do right
Hold this woman
Oh, I wanna tell you what you gotta do
You gotta be a do right, a do right, a do right
All night man, yeah yeah, yeah yeah

You gotta be a do right, a do right
All night man, all night man
