Lying 'round home alone
On a rainy night like this
Starving for your love
Hungry for just one kiss

Every raindrop I hear
Against my window pane
Speaks so loud and clear
Oh Lord, spells out your name

Got nowhere to turn, tired of being alone
Feel like breakin' up somebody's home

I know it's useless
Hanging on when you belong to someone else
Can't control the feelin'
'Cause after all, I didn't make myself

Last night, I cried so hard
I believe I caught a chill
Can't stand the vibration
And oh, my heart just won't stand still

Got nowhere to turn, tired of being alone
Feel like breakin' up somebody's home
Got nowhere to turn, tired of being alone
Feel like breakin' up somebody's home

I know it's useless
Hanging on when you belong to someone else
Can't control my feelin'
'Cause after all, I didn't make myself

Got nowhere to turn, tired of being alone
Feel like breakin' up somebody's home
Got nowhere to turn, tired of being alone
Feel like breakin' up somebody's home

Got nowhere to turn, tired of being alone
Feel like smashin' up somebody's home
Feel like breakin' up somebody's home
