I've been lovin' you too long  
To stop now

You were tired  
And you want to be free  
My love is growing stronger  
As you become a habit to me

I've been lovin' you  
Way too long  
I don't wanna stop now

With you, my life  
Has been so wonderful  
I can't, I can't stop now

You were tired and your love is growing cold  
My love is growing stronger  
As our affair, our affair grows old  
I've been lovin' you--  
Hey--  
A little too long  
I don't wanna stop now

I've been lovin' you  
A little too long  
I don't wanna, I don't wanna stop now  
Oh, don't make me stop now  
Please don't make, don't make me stop now  
I love you I love you I love you, oh, don't make me stop  
now  
Don't make me stop now  
Please baby don't make me  
Don't make me stop now, I don't wanna, I don't wanna, I  
don't wanna stop now

I've been lovin' you too long  
I don't wanna stop now
