If you could see me now.
The one who said that shed rather roam
The one that said shed rather be alone
If you could only see me now
If I could hold you now
Just for a moment I could really make you mine
Just forawhile turn back the hands of time
If I could only hold you now
Ive been too long in the wind too long in the rain
Take any comfort that I can
Looking back and hoping for a freedom from my
chains
And Lie in your loving arms again
If you could hear me now
Singing somewhere through the lonely night
Dreaming of the arms that held me tight
If you could only hear me now
Ive been too long in the wind too long in the rain
Take any comfort that I can
Looking back and hoping for a freedom of my chains
And Lie in your loving arms again
I can almost feel your loving arms again
I can almost feel your loving arms again
