They call me Miss Pitiful
Baby thats my name now
They call me Miss Pitiful Thats how I got my fame
But people just don't seem to understand
How someone can feel so blue
They call me Miss Pitiful cause I lost someone just like
you.
The call me Miss Pitiful
This everybody know now
They call me Miss Pitiful Most everyplace I go.
But nobody seems to understand now,
How can a woman sing such a sad song
When he lost everything that he had.
How can I explain to you
How somebody con get so very blue
How can I tell you about my past
If all things won't end.
Miss Pitiful
Thats my name now
They call me Miss Pitiful Thats how I got my fame
But nobody seems to understand
what make a woman can feel so very blue
They call me Miss Pitiful cause I m in love with you
Can I explain to you
Everything is going wrong
I've lost everything i had
I have to sing this sad song
To get back to her
And I m gonna sing this song to you
And i want you
And I want you
And I want you
And I want you
[And I wanna tell you everything is going through my
mind]
And I want to sing
And I want to sing
And I want to sing
And I want to sing this song with you
[And I wanna sing this song to everyone]
Cause I want them to understand what I talkin about
I want you to understand what I'm sayin..
