Miss you, baby, miss you, baby
(What I feel)
Miss you, baby
(You should take what I take)

Miss you, miss you, baby
(What I feel)
Miss you, baby, miss you, baby
(You should take what I take)

Miss you, miss you, baby
Miss you baby, miss you, baby
Miss you, miss you, baby
Miss you baby, miss you, baby

I've been holding out so long
I've been sleeping all alone
'Cause I miss you

I've been hanging on the phone
I've been sleeping all alone
I want kiss you

Hey, come on, come on
Hey, come on, come on
Hey, come on, come on
Hey, come on, come on

Hey, come on, come on
Hey, come on, come on
Hey, come on, come on
Hey, come on, come on

Well, I've been haunted in my sleep
You've been starring in my dreams
'Cause I miss you, child

I've been waiting in the hall
I've been waiting on your call
'Cause I miss you
I miss you, baby

I've been holding out so long
I've been sleeping all alone
'Cause I miss you

I've been hanging on the phone
I've been sleeping all alone
I want kiss you

Miss you baby, miss you, baby
Miss you, baby
Miss you, miss you, baby
Miss you baby, miss you, baby

Baby, why do you wait so long?
I won't to know, yeah, yeah
Baby, why do you wait so long?

Hey, come on, come on
Hey, come on, come on
Hey, come on, come on
Hey, come on, come on

Hey, come on, come on
Hey, come on, come on
Hey, come on, come on
Hey, come on, come on
