Security, yeah yeah
I want some security
I want security...yeah
Without it I'm at a great loss
Yes I am, now
Security, yeah, yeah
And I want it any cost, yes I do now
Oh...
Don't want no money now
Don't want no pay
But with security, yeah, yeah
I'll have all these things
Yes, I will now
Security, yeah
That's all I want from you
Yes, I do now
Talkin' bout security, yeah, yeah
And a little love that'll be true
Right now
Your sweet lips, you know
They tell me
That you're the one for me
Darlin', how can I forget now?
How can I forget?
Yeah
Security is what I want right now
Your love is all right
But I need a little more honey
I cant spend your love
At the grocery store
I need security, right now
Security, yeah
I tell you once again
Yes I will now
Talkin about security, yeah
And I want it to the end, yes I do
Your sweet tender lips, you know
They tell me
That you're the one for me
Darling, how can I forget now?
How can I forget?
Yeah

Security, yeah, security is what I want
