Oh, I see you out late at night
You don't treat your baby right
There's strange things happenin' everyday

The love that you refuse
Some other man can use
Strange things are happenin' everyday

Everyday, everyday
(Everyday, everyday)
There's strange things happenin' everyday

The love that you refuse
Some other man can use
Strange things are happenin' everyday

The way you never miss the water
Until your well runs dry
Strange things are happenin' everyday

I won't be satisfied
Till I see teardrops in your eyes
Strange things are happenin' everyday

Yes, everyday, everyday
(Everyday, everyday)
There's strange things happenin' everyday

I won't be satisfied
Till I see teardrops in your eyes
Strange things are happenin' everyday

Oh, well you thought I was a fool
But I got blues for you
Strange things are happenin' everyday

I found this someone new
And I'm feelin' through you
Strange things are happenin' everyday

Everyday, everyday
(Everyday, everyday)

There's strange things happenin' everyday

Found this someone new
And I'm feelin' through you
Strange things are happenin' everyday

Yes, strange things are happenin', happenin' everyday
