Waiting for Charlie to come home
Bring me all the love I need
Waiting for Charlie to come home
Bring me his lips, his wild hungry arms
And all of the love that I need

I said a lot of things to him I didn't mean to say
Instead of holding him close to me I drove him far
away
Here am I the fool who let happiness walk out the door,
no
And I don't really believe that he wants to come back to
me anymore

And I'm waiting for Charlie to come home
And bring me all the love I need
Waiting for Charlie to come home
Bring me his lips, his wild hungry arms
And all of the love that I need
