Sleigh bells ring, are you listening?
In the lane snow is glistening
A beautiful sight, we're happy tonight
Walking in the winter wonderland

Gone away is the bluebird
Here to stay is the new bird
He sings a love song as we go along
Walking in the winter wonderland

In the meadow we can build the snowman
Then pretend that he is Parson Brown
He'll say, "Are you married?" I'll say,
"No man"
But you can do the job when you're in town

Later on we'll conspire as we dream by the fire
To face unafraid the plans that we made
Walking in the winter wonderland

In the meadow we can build the snowman
Then pretend that he is the circus clown
We'll have lots of fun with Mister Snowman
Until the alligators knock him down

Oh, when it snows, ain't it thrillin'?
So you know that, gets the chillin'
We'll frolic and play the Eskimo way
Walking in the winter wonderland
Walking in the winter wonderland
Walking in the winter wonderland
