You don't know, you don't know  
You don't know what love is

You don't know what love is  
Until you've learned the meaning of the blues  
Until you've lost a love, you had to lose  
You don't know what love is

You don't know how lips hurts  
Until you've kissed and had to pay the cost  
Until you've flipped your heart and you have lost  
Oh, you don't know what love is

Do you know how a lost heart fears  
The thought of reminiscing  
And how lips that taste of tears  
They lose their taste for kissing

You don't know how hearts burn  
For love that cannot live yet never dies  
Until you've faced each dawn with sleepless eyes  
Oh, you don't know what love is

Oh, you don't know, you don't know what love is  
Oh, you don't know

Do you know how a lost heart fears  
The thought of reminiscing  
And how lips that taste of tears  
They lose their taste for kissing

You don't know how hearts burn  
For love that cannot live yet never dies  
Until you've faced each dawn with sleepless eyes  
Oh no, you don't know what love is  
You don't know what love is

You don't know, you don't know what love is  
Oh, you don't know, oh you don't know  
You don't know, you don't know what love is  
Oh, you don't know, you don't know  
Oh, you don't know, I say you don't know
