Ow!

You give me what I want, when I want it, uh-huh  
And I give you what you need when you need it, baby,  
uh-huh, yeah yeah  
So pretty baby, wanna thank-you, thank you for it, yeah,  
yeah, yeah, yeah, yeah  
Cuz you give me what I want, when I want it Daddy, oo

[SOLO]

Oh, you give me what I want when I want it, uh-huh  
And I give you, baby what you need, when ya need it,  
oo

Say you wanna drink let's go down to the bar  
Got a sleepy head you can sleep in my bed  
Say you want some love, baby take my love now  
Make you feel good and you know I know how

Wanna get around I'll go buy you a car  
Get you a plane if the distance is far  
Say you want some love, baby take my love now  
Make you feel good and you know I know how, how!  
I know how  
You give me what I want, when I want it, uh-huh

Gimme love, baby, gimme love, baby, gimme love  
Gimme, gimme, gimme love, oh, oh, oh

You give me what I want, when I want it, yeah baby  
Cuz I give you what you need when ya need it, yeah,  
yeah, baby

Say you wanna drink let's go down to the bar  
Got a sleepy head you can sleep in my bed  
Say you want some love, baby take my love now  
Make you feel good and you know I know how

Wanna get around I'll go buy you a car  
Get you a plane if the distance is far  
Say you want some love, baby take my love now

Make you feel good and you know I know how, how!  
How, oo, oo, oo!

You give me what I want, when I want it, yeah baby  
And I give you, baby what you need, when ya need it,  
oo
