You've changed
The sparkle in your eyes is gone
Your smile is just a careless yawn
You're breaking my heart
You've changed

You've changed
Your kisses are so blase
You're bored with me in every way
I can't understand
You've changed

You've forgotten the words, 'I love you'
Each memory that we've shared
You've ignored every star up above you
I can't realize you ever cared

Oh, you've changed
You're not the angel I once knew
Oh, no need to tell me that we're through, babe
It is all over now
You've changed

Oh baby, you've changed
You're not the angel I once knew
Oh, no need to tell me that we're through, babe
It is all over now
You've changed

Oh said, "You've changed, yeah"
Said, "It's, it's all over now"
Oh yeah, you've changed
Oh, you've changed
Oh, you've changed, you've changed
