"Good Morning, Heartache"

Good morning, heartache, you old gloomy sight
Good morning, heartache, thought we said goodbye
last night
I turned and tossed until it seemed you have gone
But here you are with the dawn

Wish I'd forget you but you're here to stay
It seems I met you when my love went away
Now everyday I stop by saying to you
"Good morning, heartache, what's new?"

Stop haunting me now
Can't shake you nohow
Just leave me alone
I've got those Monday blues
Straight through Sunday blues

Good morning, heartache, here we go again
Good morning, heartache, you're the one who knew me
when
Might as well get use to you hanging around
Good morning, heartache, sit down
