I saw stars
I heard a birdie sing so sweet, so sweet
The moment I fell for you

I saw stars
I heard an angel say, "Wake up, wake up
Your wonderful dream came true"

A new born feeling had me reeling
I said to myself, 'Where am I?'
It's all so hazy, may sound crazy
There wasn't a star in the sky

Still I saw stars
I heard a birdie sing so sweet, so sweet
The moment I fell for you

Still I saw stars
I heard a birdie sing so sweet, so sweet
The moment I fell for you
I saw stars
I heard an angel say, "Wake up, wake up
Your wonderful dream came true"

A new born feeling had me reeling
I said to myself, 'Where am I?'
It's all so hazy, may sound crazy
There wasn't a star in the sky

Still I saw stars
I heard a birdie sing so sweet, so sweet
The moment I fell for you

I saw stars, I saw stars
I heard a birdie sing
I heard an angel say, "Wake up, wake up
Wake up, wake up"

I saw stars, I saw stars
I saw stars, I saw stars
I saw stars, I saw stars
I heard an angel say
