Each time I hold somebody new
My arms grow cold aching for you
No one can take your place, darling, in my embrace
I'll never be free

And when my lips burn with desire
No other kiss can put out the fire
Though I may try and try, no one can satisfy
This longing in me

No, I'll never be free from your smile so tender
Sweet surrender in your eyes
How can I be free when I still remember
How you could thrill me with a sigh?

Just like a chain bound to my heart
Your love remains when we're apart
Each kiss I gave to you made me a slave to you
I'll never be free

How can I be free when I still remember
How you could thrill me with a sigh?

Just like a chain bound to my heart
Your love remains when we're apart
Each kiss I gave to you made me a slave to you
I'll never be free
No, I'll never be free
