There goes my heart, there goes the one I love
There goes the boy I wasn't worthy of
There goes my happiness, it couldn't be
There goes somebody else in place of me

Goodbye romance, it couldn't last somehow
I had my chance but it's all over now
I never thought that he could pass me by
There goes my heart and here am I

There goes my happiness, it couldn't be
There goes somebody else in place of me

Goodbye romance, it couldn't last somehow
I had my chance but it's all over now
I never thought that he could pass me by
There goes my heart and here am I
