

## **Blue October "Balance Beam"**

Visit "[Balance Beam](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I haven't been quite the same  
So sure the story of my life would never change  
Then in a bright eyed way  
Rinsed out the soap in my eyes  
and wrote a song that I'm about to sing  
Cause its about a girl, oh, that, that I hardly even know  
So this is not another love song  
Just a list of things that I should know  
And everyone should know that

One: You've got to take it kind of slowly  
Two: You've got to hurry up and make your move  
Three: You've got to tell her that she's pretty  
Four: You've got to be the perfect gentleman  
You shake a wall  
You've got to make it bend, yeah  
You've got to show her that she's the balance beam  
and I keep falling all around her fairy tale.  
Her fairy tale.

We took a walk in the rain  
I suggested, she confessed  
There's a heart near by to cast that shade  
Stay cool but I'm giddy like a school boy  
You've got to handle with care, this is not a toy  
Then gradually we touch  
And though our clothes were wet we sat and smiled)\*  
I never thought I'd smile so much, ah  
The first kiss always says the most, like  
One: You've got to take it kind of slowly  
Two: You've got to hurry up and make your move  
Three: You've got to tell her that she's pretty  
Four: You've got to be the perfect gentleman  
You shake a wall  
You've got to make it bend, yeah  
You've got to show her that she's the balance beam  
And I keep falling all around her fairy tale.

I said oh, fuh-fah a fairy tale, ah  
\*(Oh, uh-ah a fairy tale, a fairy tale, my, yeah)\*  
I wanna sing to you

\*(Everyone should know that)\*

One: You've got to take it kind of slowly

Two: You've got to hurry up and make your move

Three: You've got to tell her that she's pretty

Four: You've got to be the perfect gentleman

You shake a wall

You've got to make it bend, yeah

You've got to show her that she's the balance beam

And I keep falling all around her fairy tale.

All around...All around...All around

My, my fairy tale

Some kind of fairy tale, some kind of fairy tale

And, everyone should know that.
