Blue does everything I've never seen before
Blue does everything I've never seen before
She's the answer to the prayer I hadn't found
She's the answer to the silence, she's my sound
Ohh what a girl
Ohh what a beautiful girl she is

Blue does everything I've never seen before
Blue does everything I've never seen before

She's the answer to the prayer I hadn't found
She's the answer to the silence she's my sound
Ohh what a girl
Ohh what a beautiful girl she is

I said ohh what a girl
Ohh what a beautiful girl she is

Ohh What a girl
Ohh what a beautiful girl she is
