To find the trail that I'm supposed to lead
You'll find that our roller coaster everything
But you kill me with your princess deeds
What a smile
I'd walk a mile
To see

Life's a crusade
God made you for me
And I don't wanna
Just coast through everything
Life's a crusade
God made you for me
You'll find that our roller coaster everything

But hear my prayer
I'll give you whatever you'll take me for
So hear my prayer
I'll give you whatever you'll take me for
So would you, take me far away
Take me far away

To find the man that I'm supposed to be
Yeah, I'll be rebel boy
I'll be your program toy
How it's supposed to be
And how you kill me with your princess deeds
What a smile
I'd run a mile to see

Life's a crusade
God made you for me
I don't wanna
Just coast through everything
Life's a crusade
God made you for me
But I don't wanna
Just coast through everything

Hear my prayer
I'll give you whatever you'll take me for
Hear my prayer

I'll give you whatever you'll take me for
So would you
Take me far away
Would you take me far away
Would you take me far away
Would you take me far
Take me far
Take me far
