Children: If you're sleeping, are you dreaming, if you're dreaming are you dreaming of me? I can't believe YOU ACTUALLY MISS ME...

Mother: Hi Justin! This is your mother it is 2:33 on Monday afternoon. I was just calling to see how you were doing. You sounded really uptight last night, it made me a little nervous, and a little, well it made me nervous, but it sounded like you were nervous too. I just want to make sure you are really okay and wanted to see if you were checking in on your medication too. You know I love ya. Take care honey, I know you're under a lot of pressure. See ya. Bye Bye!

(Verse 1)

I have to block out thoughts of you, so I don't lose my head

They crawl in like a cockroach leaving babies in my bed
Dropping little reels of tape to remind me that I'm alone
Playing movies in my head that make a porno feel like home

There's a burning in my pride, a nervous bleeding in my brain

An ounce of peace is all I want for you, Will you never call again?

And will you never say that you love me just to put it in my face

And will you never try to reach me, it is I that wanted space

(Chorus)

Hate me today

Hate me tomorrow

Hate me for all the things I didn't do for you

Hate me in ways, yeah in ways hard to swallow

Hate me so you can finally see what's good for you

(Verse 2)

I'm sober now for 3 whole months, it's one accomplishment that you helped me with

The one thing that always tore us apart is the one thing that I won't touch again

In a sick way I want to thank you for holding my head
up late at night While I was busy waging wars on
myself, you were trying to stop the fight
You never doubted my warped opinions on things like
suicidal hate
You made me compliment myself when it was way too
hard to take
So I'll drive so fucking far away that I'll never cross your
mind
And do whatever it takes in your heart to leave me
behind

(Chorus)

Hate me today
Hate me tomorrow
Hate me for all the things I didn't do for you
Hate me in ways, yeah ways hard to swallow
Hate me so you can finally see what's good for you

(Verse 3)

And with a sad heart I say bye to you and wave
Kicking shadows on the street for every mistake that I
have made
And like a baby boy I never was a man
Until I saw your blue eyes cry and I held your face in my
hand
And then I fell down yelling make it go away,
Just make her smile come back and shine just like it
used to be
And then she whispered "How could you do this to
me?"

(Chorus)

Hate me today
Hate me tomorrow
Hate me for all the things I didn't do for you
Hate me in ways, yeah ways hard to swallow
Hate me so you can finally see what's good for you

Children: If you're sleeping, are you dreaming, if
you're dreaming are you dreaming of me. I can't
believe YOU ACTUALLY MISS ME...
