I ended the book I'm writing
The part about you I'm tearing it out
A simple goodnight stop fighting
There's nothing left to even fight about
I'm leaving you here my darling
To search for a better and easy way out
Through all of the pain that I'm causing
There's nothing left to even sing about

But it goes:

Ba ba ba ba ba de ba de ba
Aba de-yi aba de-yi aba de-yi aba ba de ba
Ra ba ba ba
Ba ba ba ba ba de ba de ba
Aba de-yi aba de-yi aba de-yi aba ba de ba
Yeah

(Violin solo)

Recorded Italian radio

I changed up the words to make you happy though
If run of the midnight music show
I beat up I beat up the boy that made you happy though
I'm not just the things that you want me to be
They out-weigh the ones that make me happy
So pull out your hands and meet my, my fine new lady
She's rock and roll and she'll save me

It goes:

Ba ba ba ba ba de ba de ba
Aba de-yi aba de-yi aba de-yi aba ba de ba
Ra ba ba ba
Ba ba ba ba ba de ba de ba
Aba de-yi aba de-yi aba de-yi aba ba de ba
Yeah
